

**Take a break from your hectic day with
a relaxing herbal tea from Beazer's Garden**

For Bath:

1. Hook or tie sachet under the tub spout so that water pours through the tea bag as the tub fills up.
2. Once the tub is drawn, let the sachet of herbs float in the tub.
3. Squeeze the bag several times while you are in the tub.
4. Breathe in the scent and relax!

For Drinking:

1. Boil a kettle of water
2. Add pouch of herbs to kettle and steep for 5 minutes
3. Pour, drink and relax!
